**PRELIMINARIES OF**  
**STATE MEETING**  
**UNDER WAY**  
 Arrangements for Annual Ses-  
 sion of New Mexico High-  
 way Association, to Be Held  
 Here Soon, Now Being Made.  
 Monday night, at the regular  
 monthly meeting of the Albuquerque  
 local of the State Good Roads as-  
 sociation, there will be some discussion  
 on the arrangements to be made for  
 the annual meeting of the state body  
 which is to be held here next month.  
 This session is easily the most im-  
 portant, from a looking standpoint,  
 of the entire year, as it brings roads  
 enthusiasts from all parts of the  
 state to interchange ideas and dis-  
 cuss methods.  
 The meeting will be held late in  
 May, the exact date being fixed by  
 the executive committee of the state  
 association. The local association  
 will have considerable to do in the  
 way of preliminary work for the  
 convention, and it is this share of  
 the labor that is to be discussed on  
 Monday.  
 Other topics to be discussed are  
 the Tijeras canyon road, the matter  
 of flooding roads south of town, and  
 several other topics. The road flood-  
 ing question is an important one. Al-  
 ready a number of complaints of  
 flooding south of town have come in  
 and the association will likely take  
 vigorous measures to stop the prac-  
 tice. Members of the local feel that  
 not all the work they may do will  
 be able to keep roads in good condi-  
 tions when farmers habitually sub-  
 merge them and then drive their  
 teams and wagons over the moody  
 floor of the pool so created.  
 China imports wood pulp from  
 Great Britain, Sweden, Norway and  
 Germany.

**Are Colds Catching?**  
 It is claimed that most colds are  
 catching as measles and that one  
 should avoid the association of any-  
 one who has a cold. Never permit  
 anyone who has a cold to kiss your  
 child. Avoid crowded cars and  
 poorly ventilated sleeping rooms.  
 Then when you take a cold, get rid  
 of it as quickly as possible. Cham-  
 berlain's Cough Remedy used as di-  
 rected will enable you to throw it off  
 quickly and permanently. That  
 preparation always cures and is  
 pleasant and safe to take. For sale
